CONSUMERS GAS COMPANY

SECTION 285.315

General Information Requirements

C. A. Robinson, President

1 Since Consumers operates only in the State of Illinois it is not required that the company  
2 file FERC Form 2. They are required to file ILCC Form 21, three copies of which are included  
3 with this filing. They are marked Exhibit 315-a.

4 Forecasting for peak day gas consumption has not been done. The Company, however,  
5 has gas field storage capacity leased from Egyptian Gas Storage giving Consumers the availability  
6 of a gas supply in case of gas curtailment by our gas supplier. The storage gas is also used to  
7 hold the pipeline demand charges to a minimum. Consumers has the availability to withdraw gas  
8 from storage at a rate of 2,000 DTHs per day on any peak day usage.
